

### Chapter Meeting – Monday, September 9 at 7 p.m.

Milwaukie Center, 5440 SE Kellogg Creek Dr., Milwaukie

**'Deerly' Missed: a Pangram Garden** – Dave Eckerdt, Marion County Master Gardener [patanddave@mac.com](mailto:patanddave@mac.com)

A pangram is a single sentence that makes sense, has as few letters as possible, yet uses each letter of the alphabet at least once. A pangram garden might then be a collection of plants with at least one genus beginning with each letter of the alphabet. Come take a virtual visit of Dave and Pat Eckerdt's two-acre garden and be introduced to some plants you may not have met before, each with its own story.

Along the garden path, you will also visit some critters, art and hardscape that contribute to the beauty of the garden Dave and Pat have named "Deerly Missed". [More info at cmastergardeners.org](http://cmastergardeners.org)

**Chapter Housekeeping** - This month we will be holding nominations for our 2020 Executive Board. The Budget Committee will also be meeting in September.

### Coming next month: October 14: Perennials from Seed – Amy Campion

Who doesn't like free plants? Learn to grow perennials and other ornamentals for free or very cheaply by starting them from seed. In this class, you'll learn how to germinate seeds (including those that need special treatment) and how to grow seedlings to become strong, sturdy plants for the garden. \*MG Education Credit [More info at cmastergardeners.org](http://cmastergardeners.org).

### Looking ahead: 2019 Programs and Events Preview - *list is subject to change*

- **October 5:** Fall into Gardening at the *Milwaukie Center* \*
