

As many of you know, we will begin to open up for in-person events and monthly meetings. As soon as we have more details on what this will look like, we will let the membership know via email, our webpage, Facebook pages and the periodic newsletter.

Greetings Chapter Members

We are starting the reactivation process for our chapter. This will require a lot of effort and patience from all of us. At least we are now moving forward again.

The Grow an Extra Row Program is functioning and is contributing produce to the food banks. They can use extra help harvesting the produce. Contact Nancy Muir if you can assist. The 10 Minute University[™] team produced a highly successful webinar program this spring training gardeners.

We now have the permission to move ahead with Fall into Gardening and the Spring Garden Fair. We will be receiving soon requests for staffing of the Master Gardener Booth at the Clackamas County Fair. Also in August, we will be able to start participating in farmers markets in Milwaukie and Oregon City. Marcia will be sending me help requests for both areas.

I have talked to Weston and he informed me that in 2022 there will be a Clackamas County training session. It will be different and a hybrid of virtual and in-person classes. There is more information on this in the coming months.

In a recent board meeting we decided that even with the good news relative to the Spring Garden Fair, we will control our spending as we have over the past year and a half. Until we have a positive cash flow from the fair, we will not be funding projects as we have in the past years.

We certainly look forward to seeing you again at chapter meetings starting in September and the various events of the chapter that are serving the public and the members.

I hope that your gardening is going well.

John Wilbur

10-Minute University™ Fall into Gardening is Happening Virtually

A series of five online sessions will begin on Saturday, September 25 and continue weekly through mid-October. Talks will include a 30 minute class followed by Q &A and a short Master Gardener Clinic. Right now the committee is working out the details, so stay tuned for more info as the date draws near. You can also check the [10-Minute University page](#) or check out the Facebook page: <https://www.facebook.com/10MinuteUniversity> for up to date information.

Spring Garden Fair 2022

Save the date! April 30 & May 1 will be the dates for our 36th Fair. And remember that you can still support our SGF vendors by visiting them during the growing season. Check the [Vendors page](#) for more details. Spring Garden Fair committee: watch your email for more info about planning meetings to begin again in the fall.

2021 Chapter Meetings

We are set to resume in-person chapter meetings in September. Your executive board is working out the details, along with the Program Committee. When we have more information we will send out a chapter-wide email and post an updated newsletter.
