

## Greetings Chapter Members

The August Newsletter promised that in-person meetings would begin again in September, but with the current COVID restrictions in place we will have to postpone for another month. We hope to be able to hold an in-person meeting in October.

The usual agenda for our September chapter meeting includes the election of officers and advisory board for the coming year. The nominating Committee recommended, and the Executive Board approved, extending current officers for the 2022 calendar year. While that would be the third year for most of those positions, the 16+ months of COVID shutdown hasn't required as much from the board as previous years. The board agrees that planning for the resumption and return to our normal activities will be challenging, and that the current Executive Board will be able to manage this transition best.

With that said, the Executive Board will welcome any new nominations for positions for 2022 that you may want to put forth. Please send your nominations to chapter president John Wilbur via [ccmq.president@gmail.com](mailto:ccmq.president@gmail.com), by September 28, 2021.
